Reporter	Item	Action to be taken	Action by whom
Jennifer & Christine	<p>We have 325 paid families so far. Due to the number of resignations and bond payments already made to outgoing members, it was decided that, per the bylaws, the board would not send out anymore bond payments to those resigning until we received new bond payments from new members.</p> <p>It was decided to send a general email to remind the broader membership that the pool will be opening soon, to find their tags, to inform them of the first social event of the season, purchases to date, and that a pool cleanup day would be held – date forthcoming.</p> <p>Unpaid members will be contacted by certified letter reminding them to pay and warning them that their membership will be forfeited if they don't.</p>		Christine, Malissa, Don
General	<p>The board discussed the possibility of purchasing an inflatable movie screen and air pump/blower to be purchased for the 2017 swim season.</p> <p>The tables need to be pressure washed - the board believes the club owns a pressure washer, we need to locate it.</p> <p>The board voted and passed the motion to hire a pressure wash company to clean the pavilion, the concrete underneath, the gutters, etc. They may be able to do tables too.</p> <p>The board discussed creating a shareable master list of membership, perhaps a cloud version.</p> <p>The board discussed buying a new shed, but decided against it. The wooden pallet near the baby pool will be removed.</p>	Look into how much a cloud version would cost	

	Trash pickup begins again in early May.		
	Concessions permits		Kevin
	It was decided that the social directors would get Visa debit cards for the club account, to pay for expenses, rather than laying out their own money and getting reimbursed. They will work with Brodny to obtain them.		Jennifer, Malissa, Brodny
Jennifer & Malissa	The member/non-member price for the crab feast was discussed
